

BSI Standards Publication

## Road vehicles — Specification of non-petroleum-based brake fluids for hydraulic systems

---

## National foreword

This British Standard is the UK implementation of [ISO 4925:2020](#). It supersedes [BS ISO 4925:2005](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AUE/15, Safety related to vehicles.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
