Rubber and plastic hoses and hose assemblies for measured fuel dispensing systems — Specification

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 5772:2015.

The UK participation in its preparation was entrusted to Technical Committee PRI/66, Rubber and plastics tubing, hoses and hose assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
