National foreword

This British Standard is the UK implementation of ISO 6721-10:2015. It supersedes BS ISO 6721-10:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
