## Road vehicles — Fuse-links

---

Part 12: Fuse-links with tabs (blade type) Type N (sub miniature)

## National foreword

This British Standard is the UK implementation of ISO 8820-12:2020.

The UK participation in its preparation was entrusted to Technical Committee AUE/32, Electrical and electronic components and general system aspects (Road vehicles).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
