BSI Standards Publication

Single-use sterile rubber surgical gloves — Specification

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 10282:2014.

The UK participation in its preparation was entrusted to Technical Committee CH/205/3, Medical gloves.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
