**Glass-reinforced thermosetting plastics (GRP)
pipes — Determination of the long-term ultimate
bending strain and the long-term ultimate
relative ring deflection under wet conditions**

National foreword

This British Standard is the UK implementation of ISO 10471:2018.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/2, Plastics piping for pressure applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
