Measurement of fluid flow in closed conduits — Guidance to the selection, installation and use of Coriolis flowmeters (mass flow, density and volume flow measurements)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 10790:2015. It supersedes BS ISO 10790:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPI/30/5, Velocity and Mass Methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
