

Dried skimmed milk — Determination of vitamin A content

Part 2: Method using high-performance liquid chromatography

ICS 67.100.10

National foreword

This British Standard is the UK implementation of ISO 12080-2:2009. It supersedes BS ISO 12080-2:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/5, Chemical analysis of milk and milk products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2009
