BSI Standards Publication

**Industrial furnaces and
associated processing
equipment — Method of
measuring energy balance and
calculating efficiency**
Part 1: General methodology

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 13579-1:2013.

The UK participation in its preparation was entrusted to Technical Committee RHE/13, Oil burning equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
