

BSI Standards Publication

Ships and marine technology — Ship's mooring and towing fittings — Mooring chocks

National foreword

This British Standard is the UK implementation of [ISO 13713:2020](#). It supersedes [BS ISO 13713:2012](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
