Road vehicles — Compressed natural gas (CNG) fuel system components

Part 15: Gas-tight housing and ventilation hose

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 15500-15:2015.

The UK participation in its preparation was entrusted to Technical Committee GSE/40, Gas supply equipment for natural gas vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
