# Road vehicles — Diagnostic communication over Controller Area Network (DoCAN)

Part 1: General information and use case definition

**bsi.**

...making excellence a habit.™

**National foreword**

This British Standard is the UK implementation of ISO 15765-1:2011.

The UK participation in its preparation was entrusted to Technical Committee AUE/16, Electrical and electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
