Watch-cases and accessories — Vapour phase deposited coatings

National foreword

This British Standard is the UK implementation of ISO 16253:2017. It supersedes BS ISO 16253:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/53, Specifications and test methods for jewellery and horology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
