BSI Standards Publication

# Applications of statistical and related methods to new technology and product development process — Robust parameter design (RPD)

**bsi.**

...making excellence a habit.™

**National foreword**

This British Standard is the UK implementation of ISO 16336:2014.

The UK participation in its preparation was entrusted to Technical Committee MS/6, Methodologies for business process improvement using statistical methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
