

# Road vehicles — Environmental conditions and testing for electrical and electronic equipment

## Part 4: Climatic loads

ICS 43.040.10

## National foreword

This British Standard is the UK implementation of ISO 16750-4:2010. It supersedes BS ISO 16750-4:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AUE/16, Electrical and electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2010
