

Imaging materials — Processed silver- gelatin-type black- and-white films — Specifications for stability

ICS 37.040.20

National foreword

This British Standard is the UK implementation of ISO 18901:2010. It supersedes BS ISO 18901:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/42, Photography.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2010
