

BSI Standards Publication

## **Bamboo structures — Grading of bamboo culms — Basic principles and procedures**

---

## National foreword

This British Standard is the UK implementation of [ISO 19624:2018](#).

The UK participation in its preparation was entrusted to Technical Committee B/518, Structural timber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
