

BSI Standards Publication

Pneumatic fluid power — Assessment of component reliability by testing

Part 2: Directional control valves

National foreword

This British Standard is the UK implementation of ISO 19973-2:2015+A1:2019. It supersedes BS ISO 19973-2:2015, which is withdrawn.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to ISO text carry the number of the ISO amendment. For example, text altered by ISO amendment A1 is indicated by A1 A1.

The UK participation in its preparation was entrusted to Technical Committee MCE/18, Fluid power systems and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
