Infant formula and adult nutritionals — Determination of vitamin B₁₂ by reversed phase high performance liquid chromatography (RP-HPLC)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 20634:2015.

The UK participation in its preparation was entrusted to Technical Committee AW/-/2, Food Technical Committee Chairmen.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
