

BSI Standards Publication

**Aircraft — LED based taxiing lightsystem
— General requirements**

National foreword

This British Standard is the UK implementation of [ISO 20894:2018](#).

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
