

BSI Standards Publication

**Paper, pulp, and recycling — Decolouration
test of dye coloured paper products and
paper products printed using dye inks**

National foreword

This British Standard is the UK implementation of ISO 21896:2020.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
