

BSI Standards Publication

Elastomeric seismic-protection isolators

Part 3: Applications for buildings — Specifications

National foreword

This British Standard is the UK implementation of [ISO 22762-3:2018](#). It supersedes [BS ISO 22762-3:2005](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/73, Industrial rubber products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
