

Road vehicles — Automotive multimedia interface —

Part 5: Common message set

ICS 43.040.15

National foreword

This British Standard was published by BSI. It is the UK implementation of ISO 22902-5:2006.

The UK participation in its preparation was entrusted to Technical Committee AUE/16, Electrical and electronic equipment.

A list of organizations represented on AUE/16 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2006
