Ships and marine technology — Design, location and use of shipboard safety signs, fire control plan signs, safety notices and safety markings

Part 1: Design principles

National foreword

This British Standard is the UK implementation of ISO 24409-1:2020. It supersedes BS ISO 24409-1:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
