

**Water quality —
Determination of
perfluorooctanesulfon-
ate (PFOS) and
perfluorooctanoate
(PFOA) — Method for
unfiltered samples
using solid phase
extraction and liquid
chromatography/mass
spectrometry**

ICS 13.060.50

National foreword

This British Standard is the UK implementation of ISO 25101:2009.

The UK participation in its preparation was entrusted to Technical Committee EH/3/2, Physical chemical and biochemical methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2009.
