# Adhesives — Test methods for the evaluation and selection of adhesives for indoor wood products

---

Part 1: Resistance to delamination in non-severe environments

## National foreword

This British Standard is the UK implementation of [ISO 26842-1:2020](#). It supersedes [BS ISO 26842-1:2013](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/52, Adhesives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
