

BS ISO 27027:2014

BSI Standards Publication

Aerospace — Solid-state remote power controllers — General performance requirements

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 27027:2014. It supersedes BS ISO 27027:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
