

Plastics — Poly(phenylene sulfide) (PPS) moulding and extrusion materials

Part 2: Preparation of test specimens and determination of properties

ICS 83.080.20

National foreword

This British Standard is the UK implementation of ISO 28078-2:2009.

The UK participation in its preparation was entrusted to Technical Committee PRI/82, Thermoplastic materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2010.
