## Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Iron and Steel Standards Policy Committee (ISM/-) to Technical Committee ISM/74, upon which the following bodies were represented:

British Industrial Fasteners Federation  
 British Railways Board  
 British Steel Industry  
 Department of Transport (Transport Industries)  
 London Underground Ltd.  
 Railway Industry Association of Great Britain

This British Standard, having been prepared under the direction of the Iron and Steel Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 November 1992

© BSI 1992

First published 1913  
 Second edition April 1946  
 Third edition November 1992

The following BSI references relate to the work on this standard:
