

Graphic symbols and circuit diagrams for fluid power systems and components —

Part 1: Specification for graphic symbols

UDC [62-82 + 62-85]:003.62

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machinery and Components Standards Policy Committee (MCE/-) to Technical Committee MCE/18, upon which the following bodies were represented:

Association of British Mining Equipment Companies
British Compressed Air Society
British Fluid Power Association
British Hydromechanics Research Association
British Steel Industry
Department of Trade and Industry (National Engineering Laboratory)
Ministry of Defence
University of Bath

This British Standard, having been prepared under the direction of the Machinery and Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1993
