# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Non-ferrous Metals Standards Committee (NFM/-) to Technical Committee NFM/27, upon which the following bodies were represented:

Association of British Pewter Craftsmen  
 British Steel Industry  
 Electric Cable Makers' Confederation  
 Electronic Engineering Association  
 International Tin Research Institute  
 London Metal Exchange  
 Metal Packaging Manufacturers' Association  
 Solder Makers' Association  
 Coopted members

The following were also represented in the drafting of the standard, through subcommittees and panels:

BNF Metals Technology Centre  
 British Telecommunications plc  
 Ministry of Defence  
 Society of British Aerospace Companies Limited  
 Telecommunication Engineering and Manufacturing Association (TEMA)

This British Standard, having been prepared under the direction of the Non-ferrous Metals Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 January 1987

© BSI 07-1999

First published January 1961  
 First revision January 1987
