

Methods of test for
Formic acid

Confirmed
January 2011

Co-operating organizations

The Chemicals Industry Standards Committee, under whose supervision the formulation of the United Kingdom point of view in the international work leading to the publication of this British Standard was carried out, consists of representatives from the following Government departments, and scientific and industrial organizations:

Board of Trade
 British Steel Industry
 Chemical Industries Association*
 Fertiliser Manufacturers' Association Ltd.
 Gas Council
 Institution of Gas Engineers
 Ministry of Agriculture, Fisheries and Food
 Ministry of Health
 Ministry of Technology — Laboratory of the Government Chemist*
 National Sulphuric Acid Association
 Royal Institute of Public Health & Hygiene

This British Standard, having been circulated to the Chemicals Industry Standards Committee and endorsed by the Chairman of the Chemical Divisional Council, was published under the authority of the General Council on 19 September 1968
