

Methods of test for  
**Cryolite**

UDC 549.461.12:543

Confirmed  
December 2011

## Co-operating organizations

The Chemicals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

British Steel Industry  
 Chemical Industries Association\*  
 Department of Health and Social Security  
 Department of Trade and Industry\*  
 Department of Trade and Industry — Laboratory of the Government Chemist\*  
 Fertilizer Manufacturers' Association Limited  
 Ministry of Agriculture, Fisheries and Food  
 National Sulphuric Acid Association  
 Royal Institute of Public Health and Hygiene  
 Soap and Detergent Industry Association

The Government departments and industrial organization marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Aluminium Federation  
 British Ceramic Research Association  
 Royal Institute of Chemistry  
 Society for Analytical Chemistry  
 Society of Chemical Industry

This British Standard, having been approved by the Chemicals Industry Standards Committee, was published under the authority of the Executive Board on 30 August 1974
