

BSI Standards Publication

Genomics informatics — Quality control metrics for DNA sequencing

National foreword

This Published Document is the UK implementation of ISO/TS 22692:2020.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
