

September 2011

### TITLE

**Plastics**

**Extruded sheets of impact-modified acrylonitrile-styrene copolymers (ABS, AEPDS and ASA)**

**Requirements and test methods**

(ISO 15015:2011)

*Plásticos. Placas extruidas de copolímeros de acrilonitrilo/estireno modificados para resistir al impacto (ABS, AES o ASA). Requisitos y métodos de ensayo (ISO 15015:2011).*

*Plastiques. Plaques extrudées en copolymères d'acrylonitrile-styrène modifiés choc (ABS, AEPDS ou ASA). Exigences et méthodes d'essai (ISO 15015:2011).*

### NORMATIVE

### REMARKS

This standard is the official English version of EN ISO 15015:2011, which adopts ISO 15015:2011.

This standard was published as UNE-EN ISO 15015:2011, which is the definitive Spanish version.

### FOREWORD

This standard has been prepared by the Technical Committee AEN/CTN 53 *Plastics and rubber* the Secretariat of which is held by ANAIP-COFACO.
