

Pipe threads where pressure-tight joints are not made on the threads

Part 2: Verification by means of limit gauges

(ISO 228-2:1987)

This standard has been prepared by the Technical Committee CTN 19 *Cast iron pipes, metallic tapware, valves and fittings* the Secretariat of which is held by AFTA.

UNE-EN ISO 228-2

Pipe threads where pressure-tight joints are not made on the threads
Part 2: Verification by means of limit gauges
(ISO 228-2:1987)

Roscas de tuberías para uniones sin estanquidad en la rosca. Parte 2: Verificación mediante calibres de tolerancias. (ISO 228-2:1987).

Filetages de tuyauterie pour raccordement sans étanchéité dans le filet. Partie 2: Vérification par calibres à limites. (ISO 228-2:1987).

This standard is the official English version of EN ISO 228-2:2003, which adopts ISO 228-2:1987.

This standard was published as UNE-EN ISO 228-2:2003, which is the definitive Spanish version.

English version

Pipe threads where pressure-tight joints are not made on the threads - Part 2: Verification by means of limit gauges (ISO 228-2:1987)

Filetages de tuyauterie pour raccordement sans étanchéité dans le filet - Partie 2: Vérification par calibres à limites (ISO 228-2:1987)

Rohrgewinde für nicht im Gewinde dichtende Verbindungen - Teil 2: Prüfung mit Grenzlehren (ISO 228-2:1987)

This European Standard was approved by CEN on 27 December 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovak Republic, Spain, Sweden, Switzerland and United Kingdom.
