

August 1998

TITLE

Plastics

Phenolic moulding materials

Determination of acetone-soluble matter (apparent resin content of material in the unmoulded state)

(ISO 308:1994)

Plásticos. Materiales de moldeo fenólicos. Determinación de las sustancias solubles en acetona (contenido aparente de resina de los materiales en estado de suministro) (ISO 308:1994).

Plastiques. Matières à mouler à base de phénoplastes. Détermination des matières solubles dans l'acétone (teneur apparente en résine des matières à l'état non moulé) (ISO 308:1994)

NORMATIVE

REMARKS

This standard is the official English version of EN ISO 308:1997, which adopts ISO 308:1994.

This standard was published as UNE-EN ISO 308:1998, which is the definitive Spanish version.

FOREWORD

This standard has been prepared by the Technical Committee AEN/CTN 53 *Plastics and rubber* the Secretariat of which is held by ANAIP-COFACO.
