English version

Respiratory protective devices - Power assisted filtering devices incorporating full face masks, half masks or quarter masks - Requirements, testing, marking

Appareils de protection respiratoire - Appareils filtrants à ventilation assistée avec masques complets, demi-masques ou quarts de masques - Exigences, essais, marquage

Atemschutzgeräte - Gebläsefiltergeräte mit Vollmasken, Halbmasken oder Viertelmasken - Anforderungen, Prüfung, Kennzeichnung

This amendment A1 modifies the European Standard EN 12942:1998; it was approved by CEN on 23 September 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for inclusion of this amendment into the relevant national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
