DIN 54152-1: 1979-03, 1989-07.

EN comprises 16 pages.

ICS 19.100

Descriptors: Non-destructive testing, testing, penetrant flaw detection.

English version

Non-destructive testing
Penetrant testing
Part 1: General principles

Essais non destructifs – Examen par res-
suage – Partie 1: Principes généraux

Zerstörungsfreie Prüfung – Eindring-
prüfung – Teil 1: Allgemeine Grundlagen

This European Standard was approved by CEN on 1995-01-14.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.
