

IEC 60384-21-1

(First edition – 2004-06)

Fixed capacitors for use in electronic equipment –

Part 21-1: Blank detail specification: Fixed surface mount multilayer capacitors

of ceramic dielectric, Class 1 – Assessment level EZ

CORRIGENDUM 1

Page 6

INTRODUCTION

Replace, in the last row of the table, the reference IECQ 001005 by IEC QC 001005.

Page 7

Table 2 – Values of capacitance and of voltage related to case sizes

Replace, in the third row of the first column 'Rated capacitance (in pF, nF)' by 'Rated capacitance (in pF and/or nF)'.

Page 8

1.4 Normative references

Add, to the list, the title of the following standard:

IEC 60410:1973, Sampling plans and procedures for inspection by attributes

Page 8

1.6 Ordering information

Replace, in item c), 'DC' by 'd.c.'.
