BS ISO 5668:2023

BSI Standards Publication

Corrosion of metals and alloys — Guidelines and requirements for corrosion testing in simulated environment of deep-sea water

National foreword

This British Standard is the UK implementation of ISO 5668:2023.

The UK participation in its preparation was entrusted to Technical Committee ISENFE/8.

A list of organizations represented on this committee can be obtained on request to its committee manager.

Contractual and legal considerations
