

EUROPEAN STANDARD  
NORME EUROPÉENNE  
EUROPÄISCHE NORM

EN 12201-3

January 2024

ICS 23.040.45; 23.040.20

Supersedes EN 12201-3:2011+A1:2012

English Version

Plastics piping systems for water supply, and for drains  
and sewers under pressure - Polyethylene (PE) - Part 3:  
Fittings

Systèmes de canalisations en plastique pour  
l'alimentation en eau et pour les branchements et les  
collecteurs d'assainissement avec pression -  
Polyéthylène (PE) - Partie 3 : Raccords

Kunststoff-Rohrleitungssysteme für die  
Wasserversorgung und für Entwässerungs- und  
Abwasserdruckleitungen - Polyethylen (PE) - Teil 3:  
Formstücke

This European Standard was approved by CEN on 10 December 2023.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and United Kingdom.
