## Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/543, Round and sawn timber, to Subcommittee B/543/1, Timber terminology and measurement, upon which the following bodies were represented:

British Timber Merchants' Association  
 British Woodworking Federation  
 Council of Forest Industries of British Columbia  
 Department of the Environment (Building Research Establishment)  
 Forestry Commission  
 National Council of Building Material Producers  
 National House-Building Council  
 Royal Institute of British Architects  
 Timber Packaging and Pallet Confederation  
 Timber Trade Federation  
 Trussed Rafter and Fabricators' Association  
 United Kingdom Softwood Sawmillers' Association

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 October 1997
