The European Standard EN 12457-2:2002 has the status of a  
British Standard

ICS 13.030.10; 13.030.20

## National foreword

This British Standard is the official English language version of EN 12457-2:2002.

The UK participation in its preparation was entrusted by Technical Committee B/508, Waste management, to Subcommittee B/508/3, Characterisation of waste, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
