

Ambient air quality — Standard method for the measurement of Pb, Cd, As and Ni in the PM10 fraction of suspended particulate matter

The European Standard EN 14902:2005 has the status of a
British Standard

ICS 13.040.20

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14902:2005, incorporating corrigendum October 2006.

The UK participation in its preparation was entrusted by Technical Committee EH/2, Air quality, to Subcommittee EH/2/3, Ambient atmospheres.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

Amendments issued since publication

Amd. No.	Date	Comments
17049 Corrigendum No. 1	30 April 2007	Equation 5 replaced

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 27 September 2005

English version

Ambient air quality - Standard method for the measurement of Pb, Cd, As and Ni in the PM₁₀ fraction of suspended particulate matter

Qualité de l'air ambiant - Méthode normalisée pour la mesure de Pb, Cd, As et Ni dans la fraction MP₁₀ de la matière particulaire en suspension

Außenluftbeschaffenheit - Standardisiertes Verfahren zur Bestimmung von Pb/Cd/As/Ni als Bestandteil der PM₁₀ Fraktion des Schwebstaubes

This European Standard was approved by CEN on 27 June 2005.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
