

# Health informatics — Integration of a reference terminology model for nursing

The European Standard EN ISO 18104:2003 has the status of a  
British Standard

ICS 35.240.80

## National foreword

This British Standard is the official English language version of EN ISO 18104:2003. It is identical with ISO 18104:2003. It supersedes DD ENV 14032:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

### Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled "International Standards Correspondence Index", or by using the "Search" facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

### Summary of pages

English version

**Health Informatics - Integration of a reference terminology model  
for nursing (ISO 18104:2003)**

Informatique de santé - Intégration d'un modèle de  
terminologie de référence pour les soins infirmiers (ISO  
18104:2003)

Medizinische Informatik - Integration eines Referenz-  
Terminologiemodells für die Pflege (ISO 18104:2003)

This European Standard was approved by CEN on 2 December 2003.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.
