## Part 1: Milling tools, circular saw blades

The European Standard EN 847-1:2005 has the status of a  
British Standard

ICS 79.120.10

## National foreword

This British Standard is the official English language version of EN 847-1:2005. It supersedes BS EN 847-1:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MTE/23, Woodworking machines, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
