

# Glass in building — Laminated glass and laminated safety glass — Evaluation of conformity/Product standard

The European Standard EN 14449:2005 has the status of a  
British Standard

ICS 81.040.20

## National foreword

This British Standard is the official English language version of EN 14449:2005.

The UK participation in its preparation was entrusted by Technical Committee B/520, Glass and glazing in building, to Subcommittee B/520/1, Glass and glazing in building — Basic and transformed glass products, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
