National foreword

This British Standard is the English language version of EN ISO 4894-2:1999. It supersedes BS ISO 4894-2:1995 which is withdrawn and together with BS EN ISO 4894-1 supersedes BS 4936:1987 which is withdrawn.

This British Standard is published under the direction of the Sector Board for Materials and Chemicals whose Technical Committee PRI/33 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Change of identifier

Wherever BS ISO 4894-2:1995 appears in this standard, it should be read as BS EN ISO 4894-2:1999.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
