British Standards

National foreword

This British Standard is the UK implementation of EN 50131-3:2009. It supersedes DD CLC/TS 50131-3:2003 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee GW/1, Electronic security systems, to Subcommittee GW/1/1, Alarm components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
